September 4, 2015

Dear Cambridge Students and Families,

Welcome back to an exciting new 2015-2016 school year! I would like to take this opportunity to invite all 6th grade Cambridge students to participate in the Cambridge Study Club. This year we will be using a more structured format with one 8th grade student volunteer tutor per table of three 6th grade students. Each table will be working on a specific subject and students can choose which subject they would like to work on. Depending on the need, we may rotate to a different subject half way through.

Meetings will be every Wednesday from 1:50-3:00pm in the Media Center. Please follow this link http://goo.gl/forms/mRd4oZcKGE to add your student to the Cambridge Study Club and enter your contact information. I will use your contact information to contact you in the event that the club has to be canceled one day. I will also use the student information to determine our need of tutors and monitor student attendance.

Our first meeting date will be Wednesday September 9th and will continue every Wednesday thereafter. Please do not hesitate to contact me with any questions or concerns. Looking forward to a great year!

Your Cambridge School Counselor,

Sarah Johansen, MA
