

Dear Parents,

This Friday, November 2nd, we have our final football game of the year. It will again be at Pasco High School. We will be joining the high school band for their final game of the season and it should be a lot of fun. Below you will find the estimated times for the event. Uniform will be our red band shirts with whatever school appropriate pants/shorts and closed toed shoes. I am looking forward to a great evening to finish off the football schedule.

The Pasco High School band will be providing a meal at 5 PM, before everything gets started. This is a great chance for our students to talk with the high school students and get some insight into what high school band is about.

5:00 - (Optional) Dinner - Location TBD

6:00 - Attendance will be taken in the PHS Band hall and we will start warming up for the game.

7:00 - Students will begin marching to the stadium

7:15 - Pregame starts, National anthem will be played with PMS, CENMS, PHS, PHS Alumni, and ZHS

7:30 - Game Starts

Est. - 8:30/8:45 - Half-time - Both PHS and ZHS will perform their 2018 MPA Shows

10:15 - Game should be over.

If you can not participate for any reason please send me, in writing, an excuse note **before** the event so that I can excuse the grade.

This Saturday, Nov, 3rd, is the Marching band Music Performance Assessment for all Pasco County **High Schools**, including Pasco High School at 7PM. This is not a required event. However, if a student brings me a program from the event I will give them credit towards their grade for going.

Please email mschmidt@pasco.k12.fl.us if you would like more information!

We have a couple of other performance events in the second quarter and it is incredibly important for everyone to stay informed. For information about upcoming events please see any of our three information sharing platforms. You can log in to Charms, follow us on Facebook at Pasco Middle School Music, or monitor the Music page on the Pasco Middle School Website.
