Transportation after practice and games needs to be arranged in advance and must be on time. Pickup area is bus loop only. | |

PMS GIRLS SOCCER SCHEDULE – 2020-21

All athletes must follow PRIDE expectations at all times – in the classroom and on the field. Be prepared with all practice gear. Please contact Coach Herndon (dherndon@pasco.k12.fl.us) with questions.

Because of the Covid restrictions this year, there will only be 2 tickets per athlete for your family at home and away soccer games. Masks are required for entrance. Social Distancing is expected. If you are socially distanced away from others, you may take your mask off in the stands. Keep it on when you are moving about. Only clear bags are allowed in by spectators, no purses or backpacks.

The athletes will need to bring a water bottle to practices and games this year. There will be no water coolers – but water will be available for your athlete to fill their own bottle. Make sure the bottle is labeled.

Masks are to be worn by athletes on the bus, as they enter the field and on the bench.

We are taking 2 buses, this season to Wire Grass Ranch High, School for John Long, and to Land O'Lakes High for Pine View. You may check your athlete out after the game instead of having them ride the bus home. For all other games, you will need to transport your athlete to and from the site.

Games are subject to change because of field availability and COVID issues. We will let you know of changes as they occur.
