

Utilize this information about tutoring to help get yourself back on track. It is never too late to turn things around!

# TUTORING

USE YOUR LUNCH TIME WISELY!

## Academic Lunch!

Talk to a teacher or counselor, print your work, do your classwork, study for a test, retake a test or make up a test from being absent!

## Use the Media!

Use this quiet area during lunch. See Media staff in the morning for a lunch pass. Computers & printing are available!

## Tutoring during Lunch!

Numerous teachers tutor during lunch. Even if it's not YOUR teacher, you can still go there for help and assistance or to retake tests. Just see your teacher for a pass!
