

HOME EDUCATION

I am registered with my school district as a home education student and want to participate in interscholastic athletics. What are my options?

START

No

I am a member of a home education cooperative.

Yes

Does any public school in the county you live in offer the sport? Or were you able to develop an agreement with a private school in the county you live in?

Yes

You may participate for the home education cooperative, regardless of the county you live in.

No

Does any public school in an adjacent county offer the sport? Or were you able to develop an agreement with a private school in an adjacent county?

Yes

You must participate in the county you live in.

No

You must participate in an adjacent county for that sport.

You may apply to the FHSAA to participate elsewhere.

The Athletic Director at the school you want to play at needs to complete an EL10 form.

REQUIRED PAPERWORK

EL1 (if applicable), EL2, EL3
EL7 & EL7V
GA4
Official Grade Records
EL13** (Completed by AD)

PEP STUDENTS

I am receiving the PEP scholarship and want to participate in interscholastic athletics. What are my options?

Students who attend a PEP Hybrid eligible private school are considered private school students and must participate at that private school.
